RECEIVED

JUL 08 2003

GROUP 3600**DECLARATION UNDER 37 C.F.R. § 1.131²**

I, Travis L. Gering, a citizen of the United States and residing at
South Orange, N.J., declare and state as follows:

127 Prospect Pl.

1. That I am a lawyer with a practice focused on Corporate and Securities. I obtained a J.D. from Rutgers University School of Law. I am admitted to the bars of New York and New Jersey. Prior to private practice, I was in-house counsel to a NASDAQ listed neural networks company.

2. That I am familiar with the EDGAR data base as maintained by the Securities and Exchange Commission ("SEC") and have used extensively this search engine to find financial data as would be useful in my practice.

3. That I am also familiar with and use in my practice on a regular basis the following other search engines: 1) Findlaw; LEXIS/NEXIS; and WESTLAW.

4 That at the request of Gerald P. Sullivan, the inventor of the subject application, I conducted searches of the SEC EDGAR, Findlaw, LEXIS/NEXIS and the WESTLAW search engines. I performed a plurality of searches using each of the aforementioned search engines. In each search, I used each of the following terms, one at a time in each of the named search engines: 1) mutual; 2) funds; 3) allocation; 4) allocate; 5) industry; and 6) percent.

5. That the results of my search are set out in the attached chart, which is attached hereto and marked EXHIBIT.

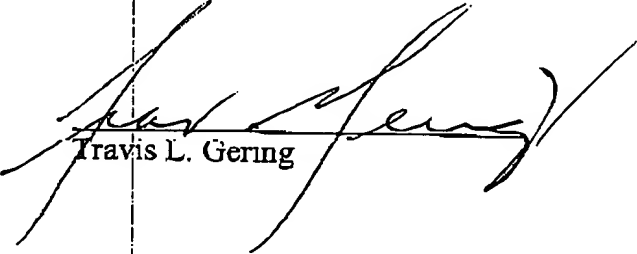

6. That I understand that the Examiner in charge of the subject application has suggested that a search of one of the EDGAR, LEXIS/NEXIS and WESTLAW engines using one of the named search terms, would be an effective strategy to locate a document entitled "Pre-Effective Amendment to Registration of an Open-End and Management Investment Company," Industry Leaders Fund, Form N-1a/a, SEC Files 333-62893,811-08989, Accession Number 950130-98-5709 ("SEC Filing"). The SEC Filing was submitted to the SEC in connection with the Industry Leaders Fund.

7. That, in my opinion and based on the searches that I conducted (as described above), these searches would be unable to identify the SEC Filing or any other document describing the Leaders Industry Fund, because the large number of hits for each of the used search terms would effectively hide the SEC Filing or other document describing the Industry Leaders Fund.

8. That this Declaration is being submitted to the United States Patent and Trademark Office prior to Final Rejection.

I HEREBY DECLARE THAT ALL STATEMENTS MADE HEREIN OF MY OWN KNOWLEDGE ARE TRUE AND THAT ALL STATEMENTS MADE ON INFORMATION AND BELIEF ARE BELIEVED TO BE TRUE; AND FURTHER THAT THESE STATEMENTS WERE MADE WITH THE KNOWLEDGE THAT WILLFUL FALSE STATEMENTS AND THE LIKE SO MADE ARE PUNISHABLE BY FINE OR IMPRISONMENT, OR BOTH, UNDER SECTION 1001 OF TITLE 18 OF THE UNITED STATES CODE, AND THAT SUCH WILLFUL FALSE STATEMENTS MAY JEOPARDIZE THE VALIDITY OF THE APPLICATION OR ANY PATENT ISSUED THEREON.

Executed in New York City on June 23, 2003.
